Venerable ZaChoeje Rinpoche will offer instruction and an empowerment in the White Tara meditation practice and retreat. This event will take place at the Merritt Center and Lodge in Payson, AZ.

White Tara is considered an enlightened emanation of the feminine aspect of compassion, one who applies active wisdom to alleviate the suffering of sentient beings. By identifying with the compassionate aspect of White Tara in meditation, we are able to remove fears and obstacles that create suffering in our lives and the lives of others. White Tara practice brings us courage to see things from a sky-like perspective and bring health and longevity into our lives.

EVENT: Rinpoche will confer the White Tara empowerment and will give instruction on the retreat on Saturday and Sunday May 31- June 1, 2008. There will be a dinner Friday Night May 30 at 7:00 PM. For those receiving the Empowerment it is traditional to take vows of freedom for behavior and diet.
