# Backdoor to Enlightenment

*Za Rinpoche*

**with Tibetan Monk  
Za Rinpoche**

Everyone dreams of a better life. All the things you've ever wanted... happiness, loving relationships, well-being, abundance, and peace of mind... are all qualities of enlightenment, a way of embracing our fullest potential that seemed unavailable to us, until now.

For the first time in history, *Backdoor to Enlightenment* burns the rules and barriers that have hindered our understanding and reveals the keys to immediate, profound realization to the rest of the world.

Join us for this powerful workshop on November 2nd!
